

MINUTES
SPECIAL CALLED MEETING
July 3, 2018
CITY HALL CONFERENCE ROOM

Attendees: Mayor Horton, Finance Officer Jerry McKaughan, City Clerk Pat Taylor, Councilpersons Mark Tripp, Eric Westcott, Phyllis Carruth, Larry Brown and Bill Strait.

Item 1: Appropriation of \$11,652.10 needed to repair the HVAC on City Hall due to a lightning strike on or around June 20, 2018. According to a letter from Bunting Electric, which was called in to investigate, City maintenance noticed a problem about June 25, 2014. After investigation it was found that both compressors had been grounded due to a large power surge which, it was determined, had to be a lightning strike in order to travel through controls to both compressors.

Motion to adopt, Eric Westcott, second, Larry Brown.

Motion to adjourn, Eric Westcott.

Mayor Randy Horton
