

- Seven (7) groups used the Hughes Center during February for a total of 264 hours. Events included the Community Service Inc. First Tee Golf Program, Fit Girlz Monday night workouts and the Delta Waterfowl Banquet.
- The Parks Commission met on February 9. The minutes are available for viewing at [www.russellvillearkansas.org](http://www.russellvillearkansas.org).
- The AARP began offering free tax assistance to everyone on February 1. Operating hours March 1 to April 13 are Monday through Wednesday from 8:30am to 4:00pm. This a much needed service that helps many people each year in our community.
- Arkansas Valley Soccer Association held registration in February for their spring season. League play begins on March 12 with games being played on Saturdays. The adult soccer league will begin play on March 20 at the complex.
- Registration for the Russellville Youth Baseball Association is currently underway for the upcoming season. Information on registering may be found at [www.rybabaseball.org](http://www.rybabaseball.org) or at Mullen Team Sports, Feltners Athlete Corner and Sportscene. The last day to register is March 10.
- The 100% drawings were completed for the new Russellville Aquatic Center. The bids are scheduled to be opened for the project on March 8 at City Hall where they will be read aloud.
- A new unimproved trail was developed and opened at Illinois Bayou Park as part of the eagle project of Maxim Van Houte. The unimproved trail begins at the boat launch area and follows the water's edge around to the power lines and joins the first loop of the paved trail.
- Repair work was done on the upper field backstops at Shiloh Park. We are working on renovating and updating all our fields.
- Russellville High School baseball and Lady Cyclone softball began at M.J. Hickey Park. (Schedules attached).
- The turf plan continues at all of our athletic complexes. We finished top dressing all the facilities. All the infields were trimmed at Hickey, Shiloh and Pleasant View Parks. Pre-emergent was sprayed at the soccer complex and Hickey Park. Pleasant View Park and Shiloh Park will be sprayed in March.
- We received two new trailers and a new tractor in February. These are already being put into use and were much needed addition to our inventory.
- All park lights were inspected and repaired, updated or added where needed. With the additions and repairs we hope to keep our parks well lighted and safer for park patrons.
