PURPOSE

The Russellville Fire Department strives to maintain a high standard of care on a consistent basis, using the most up to date patient care practices. This policy recognizes the contents of the EMS Protocols & Procedures Manual as the approved method for rendering patient care at all RFD EMS Scenes.

POLICY

All Paramedics and EMTs shall be familiar with the EMS Protocols, and shall use them as the exclusive standards of care for all RFD patients.

All patients encountered by Russellville Fire Department shall be treated according to the applicable standards of care within the EMS Protocols & Procedures Manual.

Each Russellville Fire Department care provider is charged with performing only those skills specified by their level of certification with the Arkansas Department of Health Section of EMS.

The protocol manual may be reviewed by the Russellville Fire Department Medical Director, as needed, in order to maintain the most up-to-date standards of emergency medical care.
